Dear Janice:

There's no question that "Meet the Market" would not have succeeded had it not been for your patience and commitment with the more than 306 participants!

Throughout the months of planning and up to the start of the first appointment, I felt that I had great partners to rely upon with you, Pauline and Sandy.

I hope that every time you wear the enclosed you will remember how much we appreciate your dedication. We are very fortunate to have you as part of our Marketplace Team.

In appreciation,

Louise B. Eramian
Coordinator Meet the Market
