

Name Change Request Form

It is critically important that your name is consistently specified across all travel documents. If you find an anomaly in this information, or for example, your name changed because of marriage, please complete the form below so that we can correct the inconsistency.

Please ensure that the name on your frequent flyer account matches the name change request. The process for making a change to the name listed on your frequent flyer account varies by airline. MacNair strongly encourages you to contact your frequent flyer partner as soon as possible to make the required name changes to ensure that your benefits are received.
